# DEDICATION

In these times of crises, the people of the United States are called upon to stand a test of courage and stamina. The national government is asking every person to cooperate in combatting the menace to democracy. The responsibilities of a democratic country are truly realized by those who have friends and loved-ones who are now in the government service. As a tribute to those from our midst who have been called to help protect and preserve our nation, the editors and staff of the Apache dedicate this annual:

ORGANIZATIONS

# Phi Theta Kappa

The Alpha Omicron Chapter of Phi Theta Kappa was established in 1930 upon the initiative of Miss Mildred Howell, who became its sponsor. With all plans centering around the National Convention in Sacramento, California on April 16, 17, and 18, this year, 1941, has been an especially active one for the chapter. The highlight of the convention, for our chapter, was the election of Winifred Main as National Second Vice-President for next year.

Members of the organization for the year are Martha Joe Hawes, President; R. L. Mayne, Vice-President; Betty Joe McKay, Secretary; Arthur Williams, Treasurer; Betty June Hill, Reporter; Ruby King, Norma Epperson, Lucille Williams, Gibson Gray, Joe Reynolds, Kenneth Rasco, Mary Helen Ray, Louise Crews, Sue Aiken, Laura Louise Glenn, Bob Cole, Earl Lawver, Janice Conley, Marie Phaup, Farland Bundy, Earline Muckleroy, Winifred Main, Philip Wolf, Arnold Rubin, Wiley Roosth, Virginia Allen, Dorothy Nell Chumley, Clyde Massey, Roland Whyte, Vernon Turner, Janet Anderson, Mary Alice Edson, LaVerne Wilhite, James Rushing, Milton Dingler, and Joyce Harrell.

# The Engineers Club

The Engineers Club is composed of students interested in the various fields of engineering. The Club was organized to promote good fellowship among the future representatives of this profession and to enlighten them on the possibilities of its different branches. These objectives were accomplished by making field trips to the various engineering firms.

This year the Club made four field trips: to the electric power plant at Trinidad, the Tyler iron foundry, a photo-copy plant, and the McMurray Oil Refinery.

Furthermore, the Club was very active in both athletic and social affairs: it sponsored a basket ball team in the City League, and it presented a College minstrel and two dances.

# The Flying Club

The Flying Club is a member of the National Intercollegiate Flying Club. Officers in this club are Edwin Arvin, president; Oscar Kellar, vice-president; Ruth Dailey, secretary; and Derrell Tooke, reporter.

The Junior College has graduated a total of 74 pilots from its Civilian Pilot Training Program. This includes students from four classes: ten students from last year, twenty-nine from last summer, twenty from the first semester, and fifteen from the second semester of this year.

From left to right the members are Eddie Horton and Russ Finefrock, instructors, Raymond Cook, Frank Burns, Paul Hill, Arthur Exum, Edwin Arvin, Louise Glenn, Oscar O'Neil, Howard Dodd, Ged Stuteville, Mr. E. A. Lawler, instructor, J. T. Ingram, Bernard Clayton, J. C. Hall, and Derrell Tooke.

# Home Economics Club

The Home Economics Club was organized at the beginning of this semester for the purpose of forwarding the interests of girls in the field of Home Economics.

The Club was organized with the aid of Miss Alice Douglas; other sponsors are Miss Ella Mae Bailes and Miss Mary D. Walker.

Club officers are Dixie Hall, president; Sunshine Tooke, vice-president; Dorothy Jane Lindsay, secretary; Rosalie Breedlove, treasurer; and Lorenia Mayer, reporter.

Members of the Club appearing in the picture are from right to left on row 1:

Evanda Billingsley, Dorothy Johnston, Emma Jean McCutchin, Sunshine Tooke, Miss Mary D. Walker, Lorenia Mayer, and Ruby King.

Row 2: Evelyn Hicks, Marie Phaup, Donna Louise Spivey, Dixie Hall, Marie Riviere, and Barbara Weaver.

Row 3: Martha Joe Hawes, Gloria Willey, Dorothy Jane Lindsay, Mary Lois Whiteman, Miss Alice Douglas, Dorothy Fay Needham, and Miss Ella Mae Bailes.

# Girls Forum

In the year 1931 the Tyler Girls Forum of the Junior College and the High School was organized by Mrs. Ernest Goens, then president of the Woman's Forum of Tyler. Under the leadership of Miss Adele Henderson, the work was begun with the purpose of fostering the development of the girl's better self in order for her to become a better member of society. Since its beginning, the Forum has been the center of the activities of the girls of the college and of the high school.

The officers of the Forum for the year 1940-1941 are: President, Margaret Ann George; Co-Vice-presidents, Helen Anderson and Louise Crews; Secretary, Theo Jo Wright; Co-treasurers, Helen Curtis and Dorothy Jane Lindsay; and Sponsor, Miss Aileen Griffen.

Junior College Council consists of Norma Epperson, Lois Virginia Wood, Louise Crews, Dorothy Jane Lindsay, Marvanette Gordon, Marcia Moneysmith, Mary Jo Bass, Frances Gean Thompson, Dorris Greer, Winifred Main, Louise McLane, Marianna Wilson, Dixie Hall, Verna Lee McCutchin, Martha Joe Hawes, Virginia Pinkerton, and Mary Jane Satterfield.

The highlight of the year is the State-Wide Girls Week which the Hon. James Allred proclaimed on March 10, 1936. This year recognition and honor will be given to "The Girls of the Week" of the College and High School.

# T. J. C. Engineers Minstrel

The purpose of the minstrel was to raise funds for the Tyler Junior College Annual (The Apache). We, the cast dedicate the success of the minstrel to Mr. E. A. Lawver, who worked loyally as a supervisor and censor committee of one, and to the Engineer's Club of 1940 as a whole. We wish to thank each and every person who participated in the minstrel and in the committees that were so instrumental in the success of the minstrel and to the publication of the APACHE.

# The Apache Pow-Wow

The official newspaper of T. J. C. is the Apache Pow-Wow. It was first a portion of the *Courier-Times*. Then it appeared as a separate publication; since 1935 it has been a larger, more independent issue. Miss Mary Henderson was the first business advisor guiding the paper through the first difficult years. Miss Brandenburg was the first literary advisor. Since 1935, Mr. J. C. Henderson has been the literary critic and champion of the paper. Miss Bryarly is the business advisor at the present time.

The present members of the staff are:

*Editors-in-Chief* ..... Marcia Moneysmith  
and Adrah Janice Hicks.

*Sports Editor*.....Talmage Main

*Reporters*—Sonny Tooke, Virginia Allen, Lorenia Mayer,  
LaVerne Wilhite, Betty Wood, Frances Cone,  
James Turner, Dorothy Johnston, Forrest Barron,  
Arthur Williams, Mary Jane Satterfield, and Lou  
Davidson.

*Business Manager* ..... Wiley Roosth

*Circulation Manager* ..... Arnold Rubin

*Assistants*—Louise Crews, LaVerne Wilhite and Betty Baker.

## The Apache Staff

The 1941 *Apache*, sponsored by the Engineer's Club, is the first yearbook to be presented from Tyler Junior College in several years. The Club has backed the yearbook in various ways: by presenting an all colored college minstrel and Easter Dance, and by handling concessions at the basketball games.

The staff has been fortunate in having as its sponsors Miss Allene Brandenburg, as literary sponsor, and Mr. E. A. Lawver, as business advisor.

The Staff consists of:

Dorothy Jane Lindsay and E. P. Richards, *co-editors*; Marvanette Gordon, *business manager*; Doyle Stegall, *sports editor*; Lou Davidson, *feature editor*; Sonny Tooke, *circulation manager*; Philip Wolf, Arnold Rubin, and J. R. Beard, *staff photographers*; W. M. Fitzgerald and Curtis Goldman, *staff artists*. ## TYLER JUNIOR COLLEGE STATE CO-CHAMPIONS — 1941

The 1941 Tyler Junior College Basket Ball Team in winning their zone championship and tying for the State Junior College Championship continued the habits of the Tyler Junior College basket ball teams of the three preceding years as Tyler Junior College won State Championship in 1938 and 1939, were runner-up to the State Championship in 1940, and then tied for the State Championship this season. The team this season broke more records than any Texas Junior College team of the past. The 1941 Apaches also set a Northern Zone record by making a clean sweep of their zone conference games, something never done by a Northern Zone Club before. For the entire season the Apaches made a total of 1774 points to their opponents 1028; thus averaging 59 points per game to their opponents 34, and thereby setting another State Junior College record with their 59 points per game average. Furthermore, by averaging 65 points per game in their conference the Apaches established another State Junior College Record.

Buck Overall, co-captain and the club's high scorer, set a new State Junior College record and in all probability a national collegiate record by scoring a total of 563 points in 29 games, averaging over 19 points per game and also having an average of 21 points per game in the State Play-Off Games. Buck Overall and Winfred Williams were the only unanimous choices in the district for all zone positions this season.

The 1941 Apache lettermen were: co-captain Acie Cannady, co-captain Buck Overall, Bernard Clayton, Foster Bullock, Winfred Williams, Norris Birdwell, Leon Mitchell, Bryce Kennedy, J. D. Sheppard, and Earl Lawver, manager.

Love is a gross exaggeration of the difference  
between one person and everybody else.

Bernard Shaw

James Turner gazed incredulously at a huge  
mounted fish. Finally he said, "The man who  
caught that fish is a liar!"

Miss Brandenburg: "James, it seems you aren't  
getting enough sleep lately."

James Rushing: "I am getting rather worried,  
Miss Brandenburg. I can't sleep even when it's  
time to get up!"

The quiz-minded Donny Campbell accosted  
his parents with "I'm going to have some money.  
True or false?"

Buck Overall's motto: "A good line is the  
shortest distance between two dates."

John Pace: "What does 'davenport' suggest to  
you?"

Earline Muckleroy: "A city in Iowa."

The moon was white  
The road was dark;  
A perfect place  
To stop and park.  
I gave a sigh  
I gave a moan;  
I cursed the fate,  
I was alone.

James Earl Thompson: "I wonder why there  
are so many more auto wrecks than railway  
accidents?"

Nelson Grisham: "That's easy. Did you ever  
hear of a fireman hugging the engineer?"

He took her gently in his arms  
And pressed her to his breast.  
The lovely color left her face  
And lodged on his full dress.

Don't worry if your job is small  
And if your rewards are few.  
Just remember that the mighty oak  
Was once a nut like you.

Mr. Henderson: "You missed my class yester-  
day, didn't you?"

"Speck" Christian: "Not in the least, sir;  
not in the least."

Roses are red, violets are blue,  
Leaves are green, and me, too.

Poem by a Freshman

I went to a party with Janet,  
And met with an awful mishap.  
For I awkwardly emptied a cupful  
Of chocolate into her lap.  
But Janet was cool—though it wasn't,  
For none is so tactful as she  
And smilingly with perfect composure,  
Said sweetly, "The drinks are on me."

The world is round, it has no end,  
It's hard to find a good true friend  
But if you find one, kind and true,  
Do him, Brother, or he'll do you.

---

This old world we live in,  
Is mighty hard to beat.  
You get a thorn with every rose,  
But ain't the roses sweet?

#### ME

I think that I shall never see  
A person quite as swell as me.  
I think I'm swell  
You think so too?  
You think you're grand?  
Well, I'll bet you  
I'm the best of the girls I know:  
Compared to me the rest are low.  
They call me stuck-up  
But can't you see  
That they're just jealous of me?
